

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions,
and listings of claims in the application:

LISTING OF CLAIMS:

1-65. (cancelled)

66. (currently amended) The pharmaceutical composition according to claim [[65]] 77, wherein the INDO salts ~~comprise~~ are selected from the group consisting of alkali metal salts, alkaline earth metal salts, aluminium salts, zinc salts, ammonium salts, inorganic acid addition salts, and/or organic acid addition salts.

67-68. (cancelled)

69. (currently amended) The pharmaceutical composition according to claim [[65]] 77, wherein the metal salts ~~comprise~~ are selected from the group consisting of chloride, sulfate, lactate, citrate, iodate, maleate, thiomaleate, diethyl-dithiocarbamate, butyl salicylate, fumarate, succinate, and/or porfirin tetrakis metachloride.

70-73. (cancelled)

74. (currently amended) The pharmaceutical composition according to claim [[65]] 77, ~~wherein INDO is~~ in an oral, rectal, nasal, topical, vaginal, or parenteral form.

75. (currently amended) The pharmaceutical composition according to claim [[65]] 77, ~~wherein INDO is~~ in combination with a carrier that is able to penetrate a blood-brain barrier.

76. (currently amended) The pharmaceutical composition according to claim [[65]] 77, further comprising a pharmaceutically acceptable carrier.

77. (currently amended) A pharmaceutical composition ~~comprising INDO~~ wherein the active ingredient consists of indomethacin (INDO) and/or salts thereof in combination with a pharmaceutically effective amount of at least one metal and/or corresponding salts.

78. (currently amended) The pharmaceutical composition according to claim [[65]] 77, wherein the ~~metals comprise~~ at least one metal is selected from the group consisting of gold, selenium, ~~or~~ and bismuth, and/or corresponding salts.

79. (new) The pharmaceutical composition according to claim 76, wherein the pharmaceutically acceptable carrier is

selected from the group consisting of preserving agents, solubilising agents, stabilising agents, wetting agents, emulsifiers, sweeteners, colourants, odourants, salts, buffers, coating agents, and antioxidants.

80. (new) The pharmaceutical composition according to claim 77, wherein the at least one metal is gold.

81. (new) The pharmaceutical composition according to claim 77, wherein the at least one metal is selenium.

82. (new) The pharmaceutical composition according to claim 77, wherein the at least one metal is bismuth.

83. (new) The pharmaceutical composition according to claim 77, wherein the at least one metal is gold salt.

84. (new) The pharmaceutical composition according to claim 77, wherein the at least one metal is selenium salt.

85. (new) The pharmaceutical composition according to claim 77, wherein the at least one metal is bismuth salt.

86. (new) The pharmaceutical composition according to claim 77, wherein the bismuth salt is bismuth chloride.
